

**PRAYER  
FOR  
THE REMNANT  
OF THE FLESH OF ISRAEL**

We pray for the dispersed of the flesh of Israel, that you would set them free from whatever holds them captive and move on their hearts to return to the covenant land.

We pray that you would separate from the Church of Jesus Christ those who were ordained before the foundation of the world for the last days' witness to the remnant of the flesh of Israel, and call them out.

We pray that you would equip those last days' witnesses with all necessary spiritual gifts that the mission requires.

We pray that the ministry of giving, be stirred up within the Church, toward the ministry to the remnant of the flesh of Israel.

We remember that faith without works is dead. We pray that each Gentile who has been grafted into that good olive tree be shown their responsibility to remember that the Church will not be complete until the remnant of the flesh of Israel has been regrafted into its own olive tree.

We pray for the peace of Jerusalem.

We pray that Jerusalem be made a praise in the earth.

We pray that we prefer Jerusalem above our chief joy lest our right hand forget her cunning and our tongues cleave to the roof of our mouths.

***In Jesus' Name...AMEN!***
